### Greens commit-tee tip of the month

Please remember to repair ball marks on the greens and remember, no golf carts are allowed on the range for any reason.

As we enter the month of March, I would like to take a moment to thank each of you for your continued support of Okefenokee Country Club. With the arrival of spring, we look forward to longer days, improved course conditions, and an active season ahead. Our team remains committed to maintaining the high standards you expect while continuing to enhance the overall member experience.

The months ahead will bring tournament play, seasonal dining features, and a full calendar of events for our membership to enjoy. As we move into a busier golf season, I would also like to remind everyone to please rake the sand bunkers after use and extend courtesy to fellow golfers while on the course. These small efforts go a long way in helping us maintain the condition and dignity of our golf course for all members to enjoy.

As dining activity continues to increase, we kindly ask that you call the Club in advance to make dinner reservations so we may serve you and your guests properly.

I look forward to seeing you at the Club throughout the coming weeks.

Sincerely,  
**Terry Breden, GM**
