

Okefenokee Country Club

Dear Members,

We have gone from floods, hurricanes, and snow to a beautiful Spring and now we are turning into summer quickly. We have had a busy end of March and April with tournaments, baby and wedding showers, and of course Easter.

Now as May is upon us, and the days are longer and warmer, I would like to remind every one of a few things. The pool will officially open Memorial Day weekend when we will be staffed with lifeguards. The pool is for members only and up to three (3) guests per member number, and the member must be present. The same goes for the courts. Courts and pool close at 10:00pm and we ask that the parking lot is cleared at that time.

We are beginning to increase the sheriff's patrols. Please continue to be observant and if you see something or someone that doesn't appear to belong in the neighborhood, let someone know. Please make sure to lock your vehicles at night. We are looking at different security systems for the front entrance and hopefully will have a decision soon. Golf carts are still not permitted on the course unless they have been inspected by Seth, and then only during tournaments. Also, state law mandates that you must be 16 to drive a golf carts, a rule that we abide by when renting our carts. I have recently witnessed kids on carts running stop signs and in one instance almost getting hit. I have also seen several personal carts on the course recently and would remind you that the fine system is still in place. We continue to work hard to make the course, restaurant and community a better place to enjoy. Your cooperation and support will make our job much easier. ~Andy

As a courtesy reminder leading up to the Memorial Day holiday, children under the age of 16 are not permitted to operate a golf cart in The Okefenokee Country Club or Fairway Estates. In accordance with our Club rules, and applicable state and local laws, each operator of a golf cart must be at least 16 years of age and have a valid automobile driver's license.

For safety purposes, there are no exceptions to this policy. Golf carts are considered "motorized vehicles" and, as such, must follow posted road signs.

Thank you for your adherence to this important safety issue.

From the Greens Committee

Repairing ball marks not only eliminate irregular ball roll and unsightly marks on the greens, it also helps to keep equipment maintenance demands down. Thank you for repairing all divots and ball marks.

Also, we are looking for volunteers to care for the street median gardens. Please contact Seth to set up the area you would like to take on.

The Easter Bunny gathered a large crowd during the OLGA Easter Extravaganza. Thanks to Captain Brenda Rolison and her team for organizing such a great event!!

Thank you for your cooperation in keeping our pool safe, clean, and enjoyable for all members!
