As we move into April, the club begins to come alive again with warmer weather, longer days, and a full calendar of activities. Spring is one of the best times of the year to enjoy the course, the clubhouse, and time with fellow members. With Easter right around the corner, we are looking forward to welcoming families to the club and celebrating the holiday together. Please keep an eye out for details on our Easter events and dining opportunities as we get closer to the holiday.

I'm also excited to officially welcome Lee Smith as our new Head Golf Professional. Lee brings great experience and energy to our golf program, and we are confident he will be a tremendous addition to the club. I encourage everyone to stop by the golf shop, introduce yourselves, and take advantage of the knowledge and enthusiasm he brings to our membership.

As we head into a busy golf season, I also want to remind everyone that the club maintains a zero personal cart policy. This policy is in place to help preserve course conditions, ensure consistency, and provide the best possible playing experience for all members. We appreciate your cooperation and understanding. Also, don't forget to sign up for the Taylor Smith Spring Ball Tournament. We're looking forward to a great turnout and a fun event for all participants.

As the season gets busier, I want to remind everyone of the importance of making dining reservations. Reservations help our team prepare properly and ensure that every member receives the best possible service and experience. A quick call ahead truly makes a big difference for our staff and helps us take great care of you and your guests.

We look forward to a great spring season at the club and thank you for being part of our community.

Warm regards, Terry

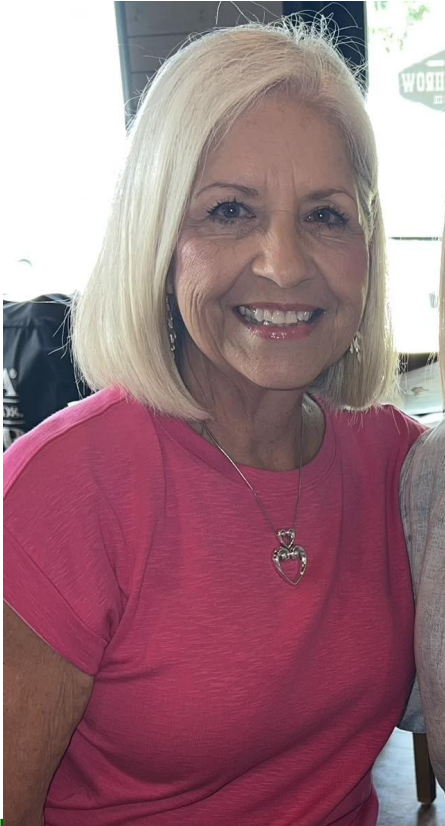

I'd like to take a moment to welcome everyone out to the club and say how excited I am to be part of the community here at Okefenokee Country Club. Whether you're a longtime member or just getting started with the game, my goal is to help make your experience at the club enjoyable and help you improve your game along the way.

For anyone looking to sharpen their skills, I am currently offering golf lessons for \$50 per hour. Lessons are open to golfers of all skill levels and can focus on anything from fundamentals and short game to course management and swing improvement.

If you're interested in scheduling a lesson, feel free to stop by the pro shop or reach out anytime. I look forward to seeing everyone out on the course.

Lee Smith, Head Golf Professional

Congratulations to Brenda Sapp!! She was the January ACE of the month!

Hey Ladies!! We have OLGA play days on Tuesdays and Thursdays at 12:30. If you aren't a member of OLGA, come out and play with us and see what our club has to offer!

Congratulations to Nina Kelley!! She is our February Ace of the Month!! She calls it her "Lucky Day" with a net score of 33! Way to go Nina!

OLGA had a very successful March Mah Jongg Tournament. They raised enough money for Captain Brenda Rolison to present a check for \$2000 to Okefenokee Alliance for the Homeless (OATH). Winners were 1st place Chrissy Theis, 2nd place Ann Eldridge, and 3rd Place Peggy Stovall. Harriette Higginson and Gay Darden won the March Bridge Tournament with over 3000 points. Great job to all of our OLGA ladies! Stay tuned for upcoming events!! Come and join us!

Strat Theologus shot under his age!! He had a score of 72 (Even Par) at the age of 76. Great job Strat!

From the Pro Shop
The Superintendent's Revenge was a blast, with some wild setups and tricky pins that kept everyone on their toes. Definitely fun and quite humbling day out on the course. Reminder that sign-ups are now open for the Taylor Smith 4-Ball, so be sure to grab your spot—we're expecting a great turnout. Please include your phone number when you sign in in the pro shop so we can add them to the text messaging list. Also, keep an eye out for more info on our first annual Okee Par 3 Contest coming soon!

The Greens Committee would like to remind single cart riders to pair up, or you can opt to pay the additional fee. It reduces wear and tear on the course and the carts. Let's keep our course looking beautiful and green!
