information coming soon.	

We hope the new year is off to a great start for you and your families. As we move into February, we are pleased to share updates and highlights from around the Club, along with what you can expect in the weeks ahead.

Beginning February 4th, we invite you to come try our new lunch and dinner menu, featuring fresh ideas, seasonal favorites, and comforting classics designed to enhance your dining experience. Along with the new menu, February will also bring rotating food and beverage specials and featured cocktails at the bar.

We would also like to remind members that the bar will remain open until 4:00 PM on Tuesdays and Thursdays for drinks, even when food service is not available. We encourage you to stop by and enjoy a relaxed afternoon at the Club.

Throughout the month, we look forward to celebrating Valentine's week with special menus and drink features, as well as hosting opportunities to gather, unwind, and connect with fellow members during our social evenings and Club events. Additional details and dates for these activities will be shared soon.

We are happy to continue making progress on improvements around the Club. One exciting addition is the opening of our new playground, which is already bringing enjoyment to our families. A heartfelt thank you goes out to OLGA for their generosity and support in helping make this project possible. Contributions like these help strengthen our Club community and enhance the experience for everyone.

Please note that beginning February 1st, a \$500 initiation fee will apply to all new memberships.

Thank you for being a valued part of our Club. We look forward to seeing you throughout February and welcoming you to the Club soon.

Warm regards, Terry
