

Okefenokee Country Club

Dear Members

We have a few things going on around OCC that I want to make sure everyone is aware of.

First, a reminder about golf carts. We still have children driving golf carts on the roads around the neighborhood. Children under 16 are not allowed to operate golf carts.

Also, a quick reminder when you are out playing golf — please fill your divots and rake your bunkers. It only takes a few seconds and makes a big difference for the person playing behind you.

Appropriate golf attire is required on the course and practice areas. Collared shirts must be worn. Make sure you are dressed appropriately before heading out to play or use the practice areas.

We have several events coming up, so keep an eye on the calendar and make your reservations when needed. If you are planning on having dinner with us, please call ahead so we can make sure we have room for you.

If you are thinking about having a Christmas party or other private event, now is the time to start planning. Please reach out to Jeff Johnson about booking your event.

We will be holding a Town Hall Meeting on Thursday, September 17th at 6:00 PM. This meeting will be a great opportunity to discuss our current initiatives, share important updates, and answer any questions you may have. We value your input and hope everyone can make it.

And for all of the students and staff that have started back to school, good luck and have a great school year.

As always, if you have any questions or concerns, just reach out to me.

Terry Breden, GM

September 2026

OLGA Meeting and
lunch 09/01

MGA Meeting and
Dinner 09/03

Labor Day—
Course, range, &
restaurant will be

As we wrap up another successful month at Okefenokee Country Club, I want to thank everyone for helping make August a great month at the club. While we did not have the Invitational this year, it has still been a busy and successful month, and I appreciate everyone's continued support.

COURSE POLICY

Personal golf carts should not be used on the course after closing hours, whether that's to play golf or ride on the course. Personal carts are prohibited on the golf course unless instructed otherwise. Please also remember that range bags are for use at the club and are not to be taken home. We ask everyone to help us take care of our facilities and equipment so they remain available and in good condition for all members.

We ask that all members wear proper golf attire while on the golf course or using the practice facilities. A collared shirt is required at all times while on club premises. If you are found wearing a T-shirt, you will be asked to change into a collared shirt before continuing to use the golf course or practice areas.

UPCOMING EVENTS

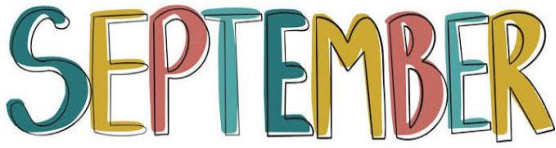

Be sure to keep an eye out for upcoming sales and specials in the pro shop! We will be open on Labor Day, and we will have a special Pro Shop Sale running that day.

Labor Day will also feature the Shootout Finale, where the Top 10 players in the season-long points standings will compete for the finale pot. It should be a great way to wrap up this year's shootout season!

We will also be getting our Fall Golf League underway soon. If you are interested in playing, please contact Chad Starling at (912) 550-3662 or stop by and contact us in the Pro Shop to sign up today.

Make sure to sign up for our Remind 101 text alerts to stay up to date on upcoming events, tournaments, sales, course information, and other club announcements. To join, text @9dha3k to 81010.

Thank you again for a great August and for your continued support of OCC. We are looking forward to an exciting fall season and hope to see everyone out at the club! -- Lee Smith, Head Golf Professional
