

Okefenokee Country Club

Dear Members,

First of all I want to thank Mike Ranew for the COACHING he has given me over the last several weeks. I also want to thank the Board of Directors for entrusting me with the General Manager's position. I look forward to the challenges that lie ahead and promise to work hard in making Okefenokee Country Club the best it can possibly be.

As May approaches, comes one of our busier times of the year. We will host the GHSA 5A sectional golf tournament on May 8-9, and then the GHSA 2A state tournament on May 22-23 and on May 26-28, our own Presidents Cup tournament. Also, don't forget Mother's Day is May 14th, and the pool will officially open May 27th.

While I truly believe we are here to serve our membership, I would also ask for your help. Please make reservations for dinner, as well as Wednesday night and Sunday buffets. This helps the restaurant staff better plan and ensures our ability to serve you better. Also, please remember the golf course is closed on Monday. That includes the course itself, putting greens and the driving range. This gives Seth and his staff time to repair the course and keep it in superb playing condition. I would also ask that "IF YOU SEE SOMETHING SAY SOMETHING." With spring we see an increase in non-members, fishing, swimming in the pool, or on the basketball courts. It's impossible for me to be everywhere all the time. But, if you see something that looks out of the ordinary, please give me a call at 912-283-7400, ext.227, and I will do my best to address your concerns.

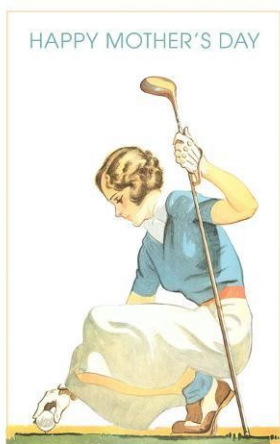

In the last few weeks I hope you have seen some improvement in the different aspects of our operations. In the weeks and months to come we will continue to improve not only our service but our facilities and grounds. If you have complaints do not hesitate to let me know. If you have compliments, please let the staff know. I look forward to meeting each one of you and what the future of this great facility holds for us all.

Andy Christopher, General Manager
