Dear Members,

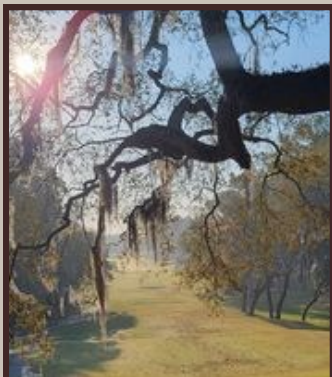

The Board of Directors has made the decision to slightly increase dues effective May 1, 2025.

Several factors contributed to this decision to increase dues. Inflation and rising operational costs played a significant role. Our goal is to avoid assessments and this small increase is essential in attempting to achieve that goal. Dues will be increased by ten dollars for all membership categories.

Thank you for being part of the OCC family and your continued support to our club.

On behalf of the Board of Directors,

Dutch McNeal, President
