

Okefenokee Country Club

Dear Members,

May is here, and with it comes the start of one of our busiest and most exciting months at the club. With longer days, warmer weather, and a fuller calendar ahead, there's no better time to enjoy everything the club has to offer.

Thank you to everyone who joined us for Easter—it was a great day and a strong reminder of what makes this club special.

As we move further into the season, golf activity continues to increase, especially on weekends. We encourage all members to call ahead for tee times to help us maintain a smooth pace of play and the best possible experience for everyone.

As a courtesy reminder leading up to the Memorial Day holiday, children under the age of 16 are not permitted to operate a golf cart in The Okefenokee Country Club or Fairway Estates. In accordance with our Club rules, and applicable state and local laws, each operator of a golf cart must be at least 16 years of age and have a valid automobile driver's license. For safety purposes, there are no exceptions to this policy. Golf carts are considered "motorized vehicles" and, as such, must follow posted road signs.

We also want to remind members of our zero personal carts on the course policy, which helps us maintain course conditions and ensure a consistent experience for everyone.

The restaurant remains focused on consistency, quality, and enhancing your overall experience. You'll begin to see new menu additions and seasonal features throughout the summer and we are excited for you to enjoy them. We ask that you please continue to make reservations to help us give the best service possible.

We appreciate your continued support and look forward to a great and safe summer.

Terry, GM
